

IMPORTANT INFORMATION

PASSPORTS & VISAS. The passport, visa and health requirements applicable at the time of printing to British citizens for the holidays that we offer may be shown on our website, but this is for guidance and you should also ensure that you make your own enquiries. Your passport must have a minimum of six months validity from the date of travel. A full British passport presently takes approximately four weeks to obtain. If you are 16 years or over and have not yet got a passport our recommendation is that you should apply for one at least six weeks before your holiday. If you or any member of your party is not a British citizen or holds a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) to or through which you are intending to travel. Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. If failure to have or supply any necessary travel or other documents results in fines, surcharges or other financial penalties being imposed on us, you will be responsible for reimbursing us accordingly. We reserve the right to request any personal details, including passport numbers, if required to do so by the authorities or by law.

TICKETS & DOCUMENTATION. It is important that you check your invoice, tickets (particularly that names and initials are correct and match your passport details) and all other documentation carefully as soon as you receive them. Contact us immediately if any information appears to be incorrect or missing. After we have received your payment, and approximately two weeks prior to departure, you will be sent your travel documentation. Please check your flight times carefully on your ticket, as these are subject to change and may well vary from those on the confirmation invoice. Please note: all tickets issued are non-changeable and non-refundable. Remember, you must check in approximately two to three hours before take-off for most flights, particularly in light of the heightened security checks at airports. All the airlines we work with offer convenient on-line check-in services that enable you to check-in, choose your own seat and issue your boarding pass from the comfort of your home or office. The service is available from 24 hours before your flight departure (72 hours if travelling with children on British Airways). By using Online Check-in you'll save time spent queueing at the airport. To check-in online go to www.ba.com, www.emirates.com, www.airfrance.co.uk, www.airmauritius.com, www.omanair.com or www.easyjet.com.

PRE-SEATING ON AIRCRAFT Airlines make a charge for pre-assigned seating, which may be done once the air tickets have been paid for and issued. Payments for this must be made directly with the airline. Alternatively, you are able to choose your seat without charge once online check-in opens for a flight, usually between 24–48 hours prior to departure. Pre-assigned seats cannot be guaranteed and do not constitute a term of your contract with us.

SEASONS, GROUPS AND OTHER GUESTS. Mauritius, Dubai, Abu Dhabi, Oman and Marrakech (May to September), the Seychelles (January to March) have an 'off peak' season and during this period, you will often benefit from excellent prices. The properties we feature may take quiet periods to withdraw a few facilities: for example, a pool for cleaning or renovation, or the closure of two or more restaurants. However, this work or closure of facilities may take place throughout the year as the hoteliers strive to maintain the standard of service they provide to guests. Occasionally, throughout the year, the hotels will accept groups which we have no control over. During your stay, they may take over restaurants and

facilities for events. It is not possible to notify you of any of these changes before you travel and we cannot accept any responsibility for any inconvenience caused.

HEALTH REQUIREMENTS. No vaccinations are required for Mauritius, the Seychelles, Marrakech, Dubai, Abu Dhabi or Oman. It is your responsibility to comply with any health requirements such as vaccinations. These requirements do change; therefore it is wise to consult your doctor at your earliest opportunity. We recommend that you obtain a copy of the Department of Health leaflet 'Advice on Health for Travellers' available from your ABTA travel agent or the Department of Health. If you have a medical condition or if you are pregnant, then you must get clearance to travel from your own doctor. Pregnant passengers are not accepted by most airlines after 28 weeks of gestation. Chikungunya and Dengue Fever, mosquito-borne infections, have been recorded in Mauritius and the Seychelles. Instances of tourist infection are rare, however, we recommend precautions are taken to minimise mosquito bites. We recommend our clients use mosquito repellent. If you require further information please do not hesitate to contact us. The UAE (Dubai and Abu Dhabi) and Mauritius are strict on medicines that can be taken into the country, this includes prescriptions and medicines that are widely available over the counter in the UK, further information can be found for UAE at www.moh.gov.ae, speak to us about Mauritius regulations.

CURRENCY & CREDIT CARDS. The £ sterling, € and US \$ are all widely exchanged, and most major credit cards are accepted for payment of hotel accounts in our hotels. Please note, in the Seychelles your extras accounts are required to be settled in a foreign currency such as £ sterling or US \$ or by credit card. It is not advisable to purchase Seychelles rupees before you travel, as they are rarely required in the islands. In Morocco most major credit cards are accepted.

HOTEL CHECK-IN / CHECK-OUT. Check-in is normally 15.00 and check-out by 11.00. Some hotels will try to accommodate early arrivals and late departures. However, in order to guarantee early check-in or a day room on departure, we can reserve the accommodation at a supplement beforehand.

OVERSEAS ACCOMMODATION. Each country has its own star rating system for its hotels. We therefore do not mention star ratings in our brochure or website but try to describe the hotels accurately through words and pictures. Star ratings promoted in any other brochure or website (including www.beachcomber-hotels.com) are therefore not our responsibility. For example many of our competitors describe Shandrani as 5-star, however we believe this is a subjective matter best judged by our clients. For the record, our website is www.beachcombertours.uk.

Accommodation and public areas in the tropics do bring with them the local wildlife. Hotel managers work studiously to minimise unwelcome wildlife. During your stay you may observe the occasional furry friend! Insects, reptiles, small mammals and rodents may be a feature, but in no way does this imply that the accommodation is unhygienic. They are simply a fact of life in these destinations, and in Mauritius can be more common during the sugar cane harvest.

SPORTS. It is your responsibility to satisfy yourself as to applicable insurance (if any) and local laws, particularly for water sports, and activities are generally at your own risk. Please be aware, if you wish to take part in scuba-diving, you may be required to show a doctor's certificate to confirm medical fitness. If you are a particularly keen diver, it is always a good idea to have this certificate with you.

It is also important to check children's ages for scuba-diving before you depart. Water sports service may vary during the year depending on the weather conditions and tides. Please ensure you wear appropriate attire for all sports, particularly footwear. Please also bear in mind that any sporting equipment you intend to take will form part of your luggage allowance, although some airlines may exclude sporting goods from your luggage allowance. Please ask for full details when booking. Our transfer provider will need to be advised of any sports equipment to ensure the correct vehicle is provided.

SPECIAL REQUESTS. Any special request must be advised in writing even if stated when making the original booking. We will make every reasonable effort to make the arrangements. We do not have any legal liability whatsoever to you in the event of non-compliance. We regret we cannot accept any conditional booking (i.e. any booking that is specified to be conditional on the fulfilment of a particular request).

WEDDING DATES. Confirmed wedding dates may change under certain circumstances, e.g. bad weather, local law or during some religious festivals when public offices will be closed. Please be aware we cannot be held responsible for such change.

WEDDING PARTIES. If you are going to be travelling with a wedding party you must advise us at the time of booking what special arrangements you require. This includes arrangements for private dining, the ability for the hotel to cater for guests not staying with you at the hotel and any other personal arrangements you may require. Whilst the hotel will do everything possible to cater for your group, we regret that if we are not advised at the time of booking the hotel may decline your requests. 40% of wedding guests are required to stay at the hotel hosting the wedding in Mauritius.

LUGGAGE ALLOWANCE. As a guide, 20kg in Economy Class, 30kg in Business Class and 40kg in First Class are the allowances for international flights from the UK. However, we recommend you confirm with the airline directly before you fly. Excess baggage is charged at the airline's own rates and is often cheaper if purchased online prior to departure.

Please note there are strict restrictions on the size and weight of luggage allowed on helicopter transfers. This is particularly the case in Mauritius, where baggage will be transferred by road at an additional cost, which may be payable locally. Please ask for full details when booking.

Please note, if you are planning to get married abroad, due to carry-on baggage restrictions, airlines cannot guarantee that you will be able to take your wedding dress on board. We recommend, therefore, that you pack the dress in a travelling box or a hard-sided suitcase and check with the airline the most up-to-date baggage allowances.

WEATHER & PUBLIC UTILITIES. Worldwide weather is becoming more erratic and harder to predict; temperatures and rainfall may fluctuate throughout the seasons. As a general guide, the weather in Mauritius between June and September can be changeable with some cloud cover. Whilst Mauritius is a year-round destination, it can be chilly in the evenings and windy, with persistent rainfall at times. Cyclones may occur in Mauritius (usually in January or February), which may result in some days of heavy rain and wind. However, at that time of year, the weather is still generally hot with prevalent sunshine.

The Seychelles experiences two trade winds. The South East Trade Winds are prevalent between May to September when it is usually drier, breezier and slightly

cooler than the rest of the year. This also means during this time; the currents are stronger which brings sea grass onto some of the beaches. The North West Trade Winds are prevalent from October to April. This is a much calmer breeze, which results in increased humidity and calmer seas. Higher rainfall usually occurs during this time of year. The Seychelles experiences quite a lot of rain at all times of the year, but this occurs mostly in brief showers followed again by tropical sunshine. In Dubai, Abu Dhabi and Oman, sunshine is virtually guaranteed all year round and rainfall is a rarity. Temperatures soar from May to September, followed by pleasant high temperatures from October to April.

Marrakech is warm and sunny for most of the year, with the peak of the summer temperatures between June and August. During the winter months (November to February) mild days can be followed by sharp drops in temperature overnight. The Atlas mountain temperatures are more unpredictable during winter with cooler temperatures, which can reach below freezing. The temperature can vary from day to day by over °15C.

Occasionally, Oman and the UAE experiences a red tide. This is a common name for a natural phenomenon known as algal bloom. During a red tide, large quantities of algae accumulate rapidly in sea water and result in discolouration of the surface water, which becomes red.

Some red tides are associated with the production of harmful toxins. Swimming in the sea is not possible at such times for health and safety reasons.

We cannot be held responsible for any inconvenience or disruption to your holiday caused by weather or any natural phenomenon.

ONLINE CHECK-IN. The airlines we use offer online check-in at www.ba.com, www.emirates.com, www.airfrance.co.uk, www.airmauriti.us.com, www.easyjet.com or www.omanair.com It is an IATA Resolution requirement for passenger contact details to be entered into an airline booking, and this can be done using the "Manage My Booking" facility or by advising us at the time of making your booking.

CLOTHING. As the weather is generally warm all year round, cool lightweight clothing is recommended. If travelling to Mauritius between June and August or Marrakech, Dubai, Abu Dhabi and Oman between November and February it is well worth taking some warmer clothing with you for the evenings. Most of our hotels operate an elegantly casual approach to dining in the evening, with gentlemen requested to wear long trousers and collared shirts. However, you do need to appreciate that some nationalities' interpretation of 'elegantly casual' may differ from the British point of view.

SAFETY FEATURES. Please note, we cannot guarantee lifeguards are on duty at the swimming pools; use of the pool is at your own risk. Please be cautious, particularly with children. The depth and design of hotel pools vary. We suggest in all cases that you familiarise yourself with each pool, particularly prior to any diving. We also advise extra care when staying in accommodation with private pools. This can be very dangerous for young children and they must be supervised at all times. When our hotels provide cots for infants, it is suggested that parents satisfy themselves with the safety features prior to use, and particular caution should be exercised with regard to room facilities. Stonefish are found in the waters of the Indian Ocean so protective footwear when swimming is recommended. The government offers advice on safety on the Internet: www.fco.gov.uk and www.gov.uk/travelaware.

DISABLED CUSTOMERS. No two people's needs are the same, and we therefore ask you to let us know your specific requirements at the time of booking.

Confirmation in writing for clarification will also be required. Owing to the differing nature of our hotels, facilities vary, including ramps for wheelchairs, lifts, access to restaurants, access to the beach, etc.

NON-SMOKING POLICY. All rooms, restaurants, bars and in some cases public areas of the hotels are non-smoking.

LOCAL REPRESENTATIVES. We have local representatives on the ground who are there to look after you and help out straight away if you have any problems or queries. They can also suggest things to do and places to visit outside your resort.

HOTEL ACCOMMODATION. The variety of choice provided by Beachcomber in Mauritius ensures that we have a resort that will suit your requirements. Should you discover that the resort you have chosen is not what you had anticipated, we shall be happy to arrange your transfer to another Beachcomber resort (subject to availability) against payment of any additional costs for the transfers and any difference in the cost of accommodation.

Day rooms: all our hotels have well-equipped Departure Day rooms with showers, etc. for your complimentary use. However, if you wish to guarantee an early check-in or late departure, a supplement can be paid prior to your departure from the UK.

Room service: Available at all Beachcomber-owned hotels. Timings may vary. All rooms have a mini-bar.

All hotels (except Royal Palm in Mauritius which offers butler service), offer complimentary tea and coffee facilities in the room.

RAMADAN. Ramadan is celebrated annually in our destinations and in 2020 will run from approximately 23 April to 23 May. During Ramadan, it is important to note that all Muslims fast from sunrise to sunset. Eating, drinking and smoking in public areas, as well as live entertainment during this time is generally prohibited for all. All of our featured hotels make special arrangements for their guests, including specific restaurants that will be open through the day. Alcohol is served from 7pm onwards only. Ramadan in Marrakech is a more relaxed affair, with most hotel outlets open as usual throughout the day. In Mauritius, Ramadan is celebrated with a three day public holiday. During this time public offices, some shops and services may be closed.

CLOTHING. In public areas, please respect the local religion and cover up swimwear when appropriate.

ADDITIONAL SEYCHELLES INFORMATION. The currency is the Seychelles rupee. However, settlement of bills in hotels must be made in foreign currency. The £ sterling, € and US \$ are widely accepted. It is not advisable to purchase rupees before you travel, as they are rarely required on the islands.

SEA GRASS. During certain times of the year some of the Seychelles beaches get covered in sea grass and hence the swimming from these beaches is not ideal.

CUISINE. Local Creole cooking and seafood are specialities. Good quality restaurants are rare and the best restaurants are found in the top hotels.

ISLAND TIME. Experience a slower pace of life. Whilst things get done in the Seychelles, nothing happens immediately – it's one of the reasons why the islands are so relaxing.

ADDITIONAL INFORMATION DUBAI, ABU DHABI AND OMAN. SPORTS. Non-motorised water sports in Dubai, Abu Dhabi and Oman are available at most beach hotels. Motorised water sports are available at a cost. Golf tee times can be pre-booked with us from the UK before you depart. All other excursions can be

booked with our ground handlers when in or at the hotel's concierge desk. The Dune Safari drives are not for the faint-hearted, the 4x4 vehicles are used to their maximum and if you suffer from any medical condition before partaking, or are pregnant, they are not recommended. Please check with your insurance policy.

BUILDING WORKS. Extensive building works in Dubai and Abu Dhabi continue to change the landscape and it is a reality that wherever you are, construction will be visible and in some cases heard. It is, however, recognised that any unavoidable disruption is to be kept to a minimum, and all the hotels make every effort to ensure that guests have an enjoyable holiday. The developments are not under Beachcomber's control, nor are Beachcomber always made aware of them in advance.

ABTA ARBITRATION SCHEME. Further information on the ABTA Code of Conduct and arbitration can be found on ABTA's website www.abta.com. The arbitration scheme is arranged by ABTA and administered independently. It provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. Full details will be provided on request or can be obtained from the ABTA website. The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. The application for arbitration and Statement of Claim must be received by ABTA within 18 months of the date of return from the holiday. Outside this time limit, arbitration under the Scheme may still be available if the company agrees, but the ABTA Code does not require such agreement. For injury and illness claims, you may like to use the ABTA Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick and cost effective way. Alternatively, AITO offers a low cost Independent Dispute Settlement Service, visit www.aito.co.uk for details.

FINANCIAL SECURITY. The Company is a member of the Association of British Travel Agents (ABTA V1892) and holds an Air Travel Organisers Licence issued by the Civil Aviation Authority (ATOL 2995).
