# OVERVIEW OF ATTRACTIONS

## Iconic attractions in the heart of the city!

### AquaTwist

Two AquaTubes that twist around each other will give riders a rush! Race down the slide and see who gets to the finish line first.

### FreeFall Plus

An exhilarating slide featuring a rush from start to finish along with extreme speeds. High thrill attraction.

### Parallel Pursuit

A head-to-head racing slide with a low separating wall so riders can see and hear each other – both on straightaways and turns, and in open and enclosed sections.

### Boomerango

Designed to build rider anticipation, Boomerango delivers on the promise of excitement with big drops, near-vertical ascents, and a zero-gravity wall summit.

# OVERVIEW OF ATTRACTIONS

## FlowRider Triple

Three is better than two! An inflatable surface technology that allows 3 riders at once. Riders can pump, kick flip, roll, slide, or spin and end their ride with the softest of landings.

## Wave Pool

Gentle and relaxing waves, suitable for guests of all ages. The whole family can enjoy a fun time in the water together, even young children.

## Wave River

A calm and relaxing ride for guests of all ages. Riders can enjoy the scenery as they are entertained by the motion of waves while they move around the park in a 10,000 m<sup>2</sup> Wave River.
